CATALOGUE

designed by parents for babies

about

●● **Kushies Baby** is a Canadian manufacturer of quality baby layette and accessories. Established in 1988, our products are made to appeal to a broad range of parents. Family owned and operated, our goal has always been to produce quality products that are stylish and on trend.

Our designs and quality have earned us the trust of families and that trust inspires us to continue to innovate and improve our offering year after year.
